WD 010861—GPB—25,000—18-9-50

Serial No.

Letter No nil dated 14.6.50 from Sri G. S. Venkataramana Iyer B.Sc.B.L requesting to issue necessary instructions to the Bangalore Race Club to restore membership of Offices who resigned their membership under o.m of Nov 1949

1) Govt directs in their o.m No 4187-4207/CB. 141-49-1 dated 2.11.49 that officers in Govt service be prohibited from being members or office bearers of the Bangalore Race Club.

2) On subsequent considerations it was directed in o.m. No 3567-3666/CB 141-49.2 dated 26.5.50 that Govt officers in active service be permitted to enrol themselves as members of the club. The Correction leading to this o.m. is placed below for reference.

3) Sri G. S. Venkataramana Iyer Secretary, Mysore Legislature brings to notice that he tenders his resignation for membership in accordance with o.m of 2.11.49 and later ~~when~~ he made an application to revive his membership. He feels

that he has to pay entrance fees once again for the revival of his membership, and that he has to take his chance as the Race Club appears to have filled up the vacancies caused.

4) He requests that Govt may be pleased to direct the Club to restore the membership of such of the officers who resigned their membership under the directions of Govt and who desire to continue their membership.

5) Before any action is taken in the matter, it is perhaps necessary to obtain information from the Secretary Race Club whether any fresh entrance fee has been levied from such officers and their applications for membership have been disposed of.

6) As per Rule 207 of the Club Rules the entrance fee per member is Rs 50/-.

OLD PUBLIC OFFICES,
BANGALORE 1,

Dated 14th June 1950.

My dear Sir,

As directed by the Government in their Official Memorandum No. 4187-4267/C.B. dated 2nd November 1949, I sent in my resignation of the membership of the Bangalore Race Club. Subsequently by their O.M. No.3567-3666/C.B. dated 26th May 1950, Government have permitted Government officers to enrol themselves as members of the Club. I accordingly wrote to the Race Club intimating that as my resignation was under directions of the Government which have been subsequently withdrawn, my membership may be revived. The Race Club has replied that the Committee of the Club have resolved that I should make a fresh application for membership and that many of the vacancies caused by these resignations have been filled up.

I may state that prior to the Official Memorandum of the 2nd November 1949 I was duly proposed and seconded for membership and elected according to the rules of the Club. I had also paid my entrance fee and I resigned the Club only because I was directed to do so by the Government. Now that the original order has been modified, I think it is neither fair nor reasonable to put me to the uncertainty of another ballot and to the liability of paying the entrance fee once again.

As I understand that the Club and the Government have come to agreement on several matters pertaining to the affairs of the Club, may I request that the Government may be pleased to direct the Club to restore the membership of such of the Government officers who resigned under the directions

of the Government and who desire to continue their membership ?

Yours sincerely,

To

Date 16th June 1950

Dear Shri Srinivasan

As directed by Government in their Official Memorandum No.4187-4267 C.B. dated 2-11-1949, I resigned my membership of the Bangalore Race Club. Government are aware that I was elected as a Steward by the General Body of the Race Club. By virtue of that position I was also a member of the Committee. Subsequently, in accordance with Official Memorandum of Government No.3567-3666/C.B. dated 26-5-1950, I wrote to the Race Club to revive my membership. In reply, the Secretary of the Race Club states that I should send a fresh application for membership. I cited the cases of Lt.Col.Bijili and Captain V. Jagannath of the Mysore State Troops who were readmitted as members of the Race Club without going through the formality of a fresh Election.

Having regard to the circumstances inwhich I was compelled to resign my membership and the consequent effect of my eeasing to be a Steward, it seems only fair that the Race Club should automatically revive my membership. I am placing these facts before Government in view of the special action taken by Governme

Government in giving Government Officers a directive to sever their connection. Obviously the Status Quo has to be maintained in respect of such Government officers who happened to be regularly elected. It would be a personal insult to each of these officers if for any reason the election should prove unfavourable and some of us have reason to believe that such a situation may arise.

I shall be grateful if Government would kindly interfere in the matter and arrange to restore my membership. I am personally aware that it was part of an agreement that in the new set up of the Race Club Management, the Government officers should be continued as ordinary members. It would be no exaggeration to say that Government Officers in Mysore would look very small in the estimation of the sporting public if our claim for revival of membership is not upheld by Government. I request you to kindly obtain early orders of Government

Yours sincerely,

M. Venkatagiri Gowda

Dear Sir,

I thank you for your letter No.4540/CB dated 21st/23rd June 1950 enclosing copies of letters addressed to you by the Secretary, Mysore Legislature, and the Commissioner of Economic Development and Planning. I regret the delay in replying the same.

The question of restoring the membership of the Bangalore Race Club of the above two gentlemen was taken up at a meeting of the Committee of the Bangalore Race Club held on 5th June 1950. Their letters to the Bangalore Race Club were considered. The rule of the Club is very clear on this matter. Once a member resigns, irrespective of the reasons, if he is desirous of becoming a member again he has to apply for membership afresh and has to undergo the formalities of an election. Under the existing rules of the Race Club there is no provision for automatically restoring or reviving the membership of any person who has once resigned. Under the above circumstances, the Committee of the Bangalore Race Club requested these two gentlemen to apply for membership in the usual course. This was the best that could be done under the circumstances.
